

Dear [INSERT NAME],

We know how important it is to stay up to date on your child's learning journey, which is why we're excited to offer you access to Procure Solutions' best-in-class parent engagement app.

Tell Me More About Procure's Parent Engagement App

Once you download the Procure app on your smartphone, we can update you on your child's daily activities, milestones and more. We can send you photos and videos of your child, as well as keep you in the loop on upcoming events and time-sensitive information.

The app also offers several "contactless" ways to check your child in and out. This helps us limit in-person interactions and unnecessary foot traffic in the center so we can better ensure the health and wellbeing of you, your children and our staff.

How do I get the app?

You'll get an email soon with all the instructions on how to download the app and set up your account.

We think you'll really enjoy this new way for us to stay connected!

Sincerely,
