

Electronic Signature Pad

Capture, Store & Print Signatures

Capture & Store Parent Signatures at Check-in/out

The signature pad features a large 4.5" monochrome LCD display that is easy to see in most office lighting environments. It offers a comfortable signing experience with a thin design and low-profile, flat surface.

Features

- 3-year overnight exchange warranty
- Compact, economic signature solution
- Robust and extremely durable design

Combine an electronic signature pad with a Procure Touch Computer (or your own computer) to record the signature of each authorized pick-up person at your child care, daycare or preschool. Choose a signature device for use with time and attendance tracking in Procure. Then print reports showing who dropped off or picked up a child, including their signature. Perfect for state attendance records and audits where a signature is required.

NOTE: Requires Procure version 10.2.5182 or higher.
