

Assembling Instructions

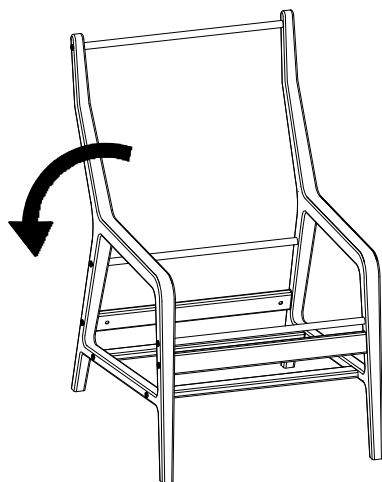

1/2

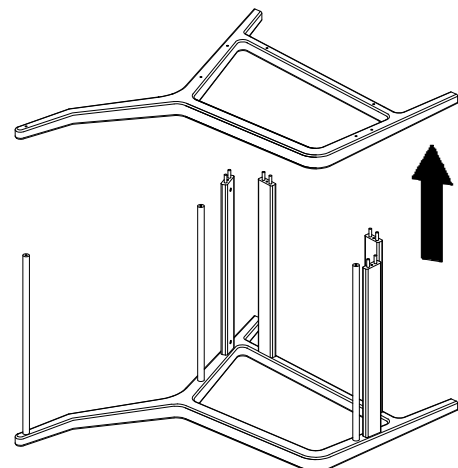

1 - Assemble all pieces together following codes (A, B, C, D), except the upholstered seat

2 - Screw only 1 side of the chair using screw driver or accessory B

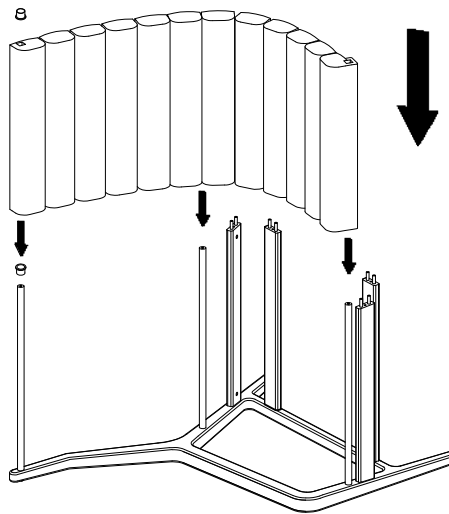

3 - Place the chair with the screwed side facing the floor and use the carton box as protection to avoid any damage

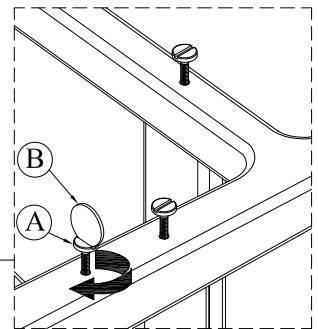

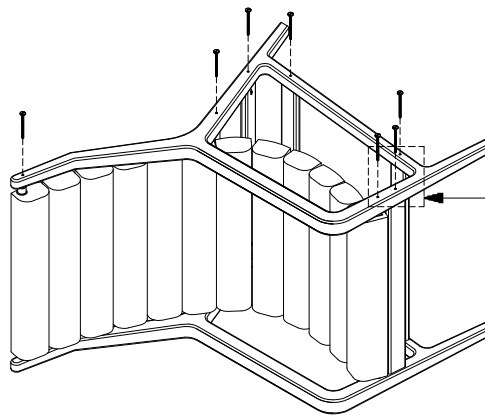

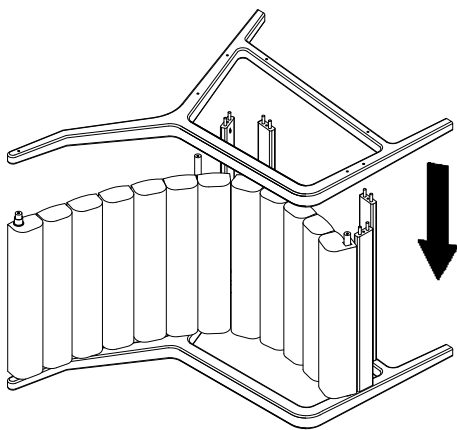

4 - Remove carefully the unscrewed leg

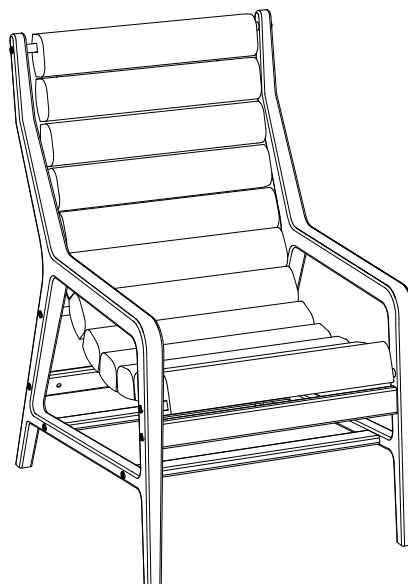

Assembling Instructions

5 - Insert rings and the upholstered seat into the 3 metal rods

6 - Place and screw the second leg
- Put back the chair in normal position

7 - Take off the codes stickers
- Tight all bolts again before first use
