

WARNING

*This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. this plug will fit in a polarized outlet only one way. if the plug does not fit fully in the outlet, reverse the plug, if it still does not fit, contact a qualified electrician.

*Never use with an extension cord unless the plug can be fully inserted. do not attempt to defeat this safety feature.

CARE AND MAINTENANCE

*Unplug lamps before using any cleaning solutions. Dust shades with a feather duster or with an appropriate vacuum-brush attachment. Wipe with a soft, dry cloth and clean lamp bases with the methods appropriate to the material. Avoid the use of chemicals and household cleaners as they may damage the finish.
