## HOST RECOMMENDATIONS

### SQUIDLY'S SEAFOOD

Order some tasty shrimp and crab boil for take-out! I'm not usually a big fan of boil, but this, my friends, is out of this world! I ate leftovers the next day!

### THE DONUT HOLE

They don't just serve donut holes. Full breakfast and brunch menu. Great selection of sandwiches. Expect a long wait, but worth it!

### SHAKA SUSHI

Fresh sushi and noodle restaurant. Great Asian food! They have everything from teriyaki to poke bowl, so sashimi. Beer, wine, and sake, too!

### THE BLACK BEAR BREAD CO.

This place is about 20 minutes away, but so worth the drive!! Their croissants, bread, even the bagels, are to die for! Check out their menu. They serve more than pastries and bread.

### THE GRAND MARLIN

Beautiful view of the marina. Super fresh, local and just flown-in seafood cooked to perfection. I love their grouper piccata. We also had some yummy hush puppies (family recipe) and calamari! Fun drinks!

### SHUNK GALLEY

Live music, awesome seafood (tacos, sandwiches, oysters). I loved their gulf sandwich and tuna poke!

### HOOK'D PIER AND BAR GRILL

Great spot for lunch and nice view of the pier and beach. Close to all the shopping!

### CAFE 30A

Fancy restaurant with award-winning dishes!

### ANGELINA'S PIZZERIA

If you're in the mood for Italian, Angelina's is the spot for you! I also love Amici's just as much and it's closer.

## CAMP HELEN STATE PARK BEACH

It is an ecologically impressive beach with the combination of freshwater and saltwater coming from the Gulf of Mexico, Lake Powell, and Phillips Inlet. Those who enjoy white-sand beaches with undisturbed natural beauty will appreciate this beach.

## SCHOONERS BEACH

The beach scene at Schooners is laid-back, with beach volleyball, socializing on the deck of the oceanfront patio, and hanging out by the water. There is often live music to set the scene for the swimming and surfing down by the water.

## ST. ANDREWS STATE BEACH

Besides swimming in the Gulf waters, St. Andrews State Park Beach is great for snorkeling in the clear shallow waters behind the jetties. This beach is popular for visitors who want to head out for a day of scuba diving, canoeing, and kayaking.
