## ***Student Spotlight***

Hear from  
Namitha Tholasi  
(College '28) on  
her Career  
Academy  
experience.

**The online career experience allowed me to work from the comfort of home and was super flexible in terms of time, which I appreciated. I was able to save the time and money that it would take to go to an in-person office!**

## ***Google Career Certificates***

UVA Career Academies offer free Google Career Certificates, enabling you to build in-demand skills through self-paced learning – whether from home, on vacation, or even while working a summer job. By pursuing a Google Career Certificate, you can earn industry-recognized credentials, build a strong professional portfolio, and gain both practical and conceptual knowledge to support your career goals.

## ***Virtual Employer-Sponsored Projects***

As part of an employer project, you will collaborate in small teams to complete real-world projects sourced from small- to mid-sized employers, gaining direct experience and insight into daily business operations. Through this work, you will develop essential soft skills in teamwork, client engagement, project management, and professional communication while fostering your own unique leadership style.
