I hope you have had a great Thanksgiving weekend. If you are in town visiting, we all welcome you! Hope your time with others is sweeter because you ended up here today. If you are from here, we do hope you love it here and will determine to make Spring Meadows your church Family. If you have any questions, ask away.

Today we get to do what is among our favorite things! We welcome another new family. Tom and Lori Daniel and their three kids, Brock (5th grade), Braden (9th grade), Morgan Lynch (Jr. at Tenn Tech) are a neat group. We're excited they have decided to be a part of this Community. They were first invited by their friends the Pugh's. Tom is an IT Consultant with Proslys Information Systems and Lori teaches at Creekwood Elementary. Welcome!

It is almost inconceivable that THIS Saturday is Breakfast With Santa. It's one of our biggest days. You are needed. Come early, we start pictures at 7:30. Hang around, talk with folks

and invite them to worship with us. Make them feel comfortable and at home. Offer to help carry plates or sit with their children. If you need a role, see Sid or Mel and they'll put you to work. And, I hope you'll hang around with me and others when Santa leaves and folks start moving out and we clean up.

One of the fun things we do that makes a big impact on some lives is helping provide some gifts for the folks at King's Daughters'. King's Daughters' is a private, non-profit, residential school for students and adults with intellectual disabilities and autism. You bless them as we take the names of 50 residents and provide them some gifts for Christmas. We'll give out names today and the gifts are to be back by December 15th. I'd encourage you to take a name or two and shop for them with your family or others.

It's going to be a great day! I'm glad you are here.
