## THE TIE THAT BINDS

by Dale Jenkins

We are blessed people. We share common blessings - the cross of Christ, our "common salvation" (as Jude calls it), a "common love" (as the song calls it), a common mission (the Great Commission), a common goal (heaven), a common Savior - of course all of these things we share in common are actually very uncommon. There are also those things that make us individuals - our personal gifts (as Paul says "we have gifts differing"), our individual backgrounds with different cities, cultures, family units, etc. Our different career paths. One difference is our nuclear families. I hope you were blessed with a good mom and/or that your kids have a good one in their lives now. Mom's are certainly essential and maybe this has been more highlighted during this time of quarantine than in a long time. Regardless, I hope you will honor Mom's. I look forward to honoring God's rule with that focus today. It's going to be a great day!
