### Welcome Meal

for the Morris Family  
June 5th! Lunch will be provided following morning worship.

Dear God,  
Thank you for our Mothers.  
Amen

As we gather today for worship, we are thankful for many many things, but today especially we are thankful for our mothers. One thing I learned many years ago is that some holidays can be glorious for some and difficult for others.

So as we come together to celebrate our common faith, I encourage you to consider one another. Hebrews 10:24, Philippians 2:3, Ephesians 5:22 - all are scriptures that encourage us to think about others.

As many today celebrate the blessings of motherhood, may God help us to consider those who are longing for children.

As many today enjoy the fellowship with their mothers, may God help us to consider those who are still mourning the loss of one of God's greatest gifts - MOM.

As many today hold children in their arms, may God help us to consider those who pray daily for their prodigal child longing for them to run back into the Father's arms or others still who have already lost a child.

As many today come as mothers thankful for their children, may God help us to consider those who have lost those children yet to be born.

Mother's Day can be a day full of a host of different emotions, but we come today thankful for the greatest emotion of LOVE that truly brings all other emotions to us.

Wherever you find the state of our heart today, please know that there is a FAMILY here who wants to know you and care for you. You are special to us. As every soul that takes on flesh is special to God, please know that you are special to us. Thank you for joining us for worship today. You are our honored guest. May we all gather today around Christ's table and remember the lengths to which HE went so that we could all be called children of God. - Chuck
