Good morning Spring Meadows family!
I pray that you have had a blessed week. Isn't it amazing how quickly things can change? From springtime temperatures back to winter moments with even a few flurries, it can change with a simple cold front. Many of us

have been following the story of Damar Hamlin, the Bills player whose heart stopped on the field a little over a week ago. In a moment's time, every knee on that field knelt to ask for the help of the Almighty God. How quickly things can change? One thing we all MUST consider is the question - 'are you ready to meet God if your heart should stop today?' Are things in your life made right that once you did wrong? Are you a child of God, washed in the blood, saved by His Grace, and walking in His light? One day - of ALL of the things that are so important in our lives, ONLY THIS ONE WILL MATTER!

PLEASE COME TO JESUS. OBEY JESUS. LIVE FOR JESUS. Nothing in this world is worth missing Heaven for.

A great group of our high school students along with our elders, Jerry, and myself, went to Evangelism University this weekend. This amazing weekend brings together over 1000 each year to inspire, encourage, and equip us to share our faith with others.

Isn't that what Jesus calls us to do? "Go make disciples..." Matthew 28:19 As followers of Jesus, everyday needs to center on the focus of how I can help someone in my path today to follow Jesus. Plant seeds that carry potential beyond our imagination. INCREASE THE POPULATION OF HEAVEN!!!

Wherever you go from here, please remember you are loved, you matter, and there is always hope in Christ. PLEASE LET US KNOW if there is any way we can help you.
