

**Society for Maternal Fetal Medicine  
and The American Journal of Obstetrics & Gynecology**

***Important SMFM-AJOG Submission Guidelines***

- Before preparing your abstract please consult the [AJOG Guide for Authors](#). It is important to note that the SMFM and AJOG utilize the same requirements for abstracts, so please refer to this guide [before preparing both your SMFM abstract and full length manuscript](#). SMFM submissions must adhere to all AJOG policies, which also applies to abstracts presented at any society meeting and published as a result of the proceedings.
- It is the authors' responsibility to ensure that their research is not published in any journal or other venue prior to the annual meeting; therefore, it is IMPORTANT to notify the editorial office upon submission and again at the time of acceptance that paper is under embargo. **The society is required to withdraw any presentation from the meeting program** if published in any form (this includes online articles and articles in press).

**AJOG Manuscript Submission:**

To ensure that your manuscript is processed promptly and so that it does not fall within the general population of AJOG papers the following is **required** upon submission:

- A.** Select SMFM as the article type
- B.** Under 'Author Comments' include:
- 1) The presentation year
  - 2) SMFM abstract #
  - 3) Oral or Poster presentation

**Fast-Track Deadline: Friday, November 8, 2019** (*midnight – Pacific Time*)  
(2020 Oral Presentations only)

As a 2020 oral presenter you are eligible to submit your paper via AJOG's Fast-Track review and publication process. If you would like to take advantage of the Fast-Track option the paper must be submitted by the deadline and authors must agree to quickly revise the paper quickly in response to editorial review. Papers accepted via the Fast-Track appear in print as early as March, and published online as an article in press typically within two weeks from the date of acceptance (or once the embargo is lifted, if applicable).

**SMFM Submissions Deadline: Friday, March 6, 2020** (*midnight – Pacific Time*).  
(2020 Oral and Poster Presentations)

Authors of 2020 SMFM oral or poster presentations are eligible to submit through the regular SMFM submission process. Accepted papers appear online as an article in press typically within two weeks from the date of final acceptance and in print in either the September or October issue of AJOG.

**Regular AJOG Submission No deadline**

Authors of SMFM presentations presented during any calendar year are always welcome to submit a paper as a regular AJOG submission as well.
