

SMFM 40th Annual Pregnancy Meeting™
Poster Presentation Information

Congratulations! Your abstract has been selected for presentation at one of our five Poster Sessions. In order to maximize the impact of your presentation on the anticipated 2,000 attendees at the meeting, please review these guidelines:

1. A poster board area of **4 ft. high by 8 ft. wide** with the assigned abstract number located at the top of the board will be provided. We suggest that posters are printed 36" x 72" so that they can be easily read from 5 feet.
2. **NEW THIS YEAR:** SMFM will provide branded templates for 2 different poster styles: the traditional scientific poster template and a new poster template style made popular by Mike Morrison <https://www.youtube.com/watch?v=1RwJbkhCA58>. Either is acceptable, and authors are free to adopt the provided templates or use their own.
3. You may consider providing a letter-sized (8x11 in) version of your poster presentation as a handout for attendees. The handout could be placed in a pocket you provide and hung on your poster board.
4. Posters must be in place before the start of the session and removed promptly at the conclusion. The exhibit hall will be open from 6 am – 9 pm to facilitate the installation and removal of posters.
5. For posters ordered through [MakeSigns](#), the pickup hours are as follows:

Wednesday, 2/5/2020	8 am – 5 pm
Thursday, 2/6/2020	7 am – 5 pm
Friday, 2/7/2020	7 am – 5 pm
Saturday, 2/8/2020	7 – 10 am

6. A team of judges will review all posters, and awards will be presented for each poster session. Awards for work shown on Thursday and Friday will be presented at the Awards Ceremony held on Saturday, February 8th, from 8 – 8:30 am. The awards for the Saturday poster session will be listed on our website, and awardees notified via email.
