

2022 STATE BALLOT MEASURES ON ABORTION

California

Vote YES on Proposition 1: Right to Reproductive Freedom Amendment

Society for
Maternal-Fetal
Medicine

What would this ballot measure do and why should I vote YES?

This amendment would add explicit language to California's constitution that reproductive freedom, including abortion, is protected under the state's Constitution.

Voting YES will affirm Californians' right to reproductive autonomy.

Current Abortion Access Landscape in California*

- Abortion available until fetal viability (24-26 weeks)
- ✓ State Medicaid funds cover abortion
- ✓ No parental involvement required
- ✓ No waiting period
