

2022 STATE BALLOT MEASURES ON ABORTION

Michigan

Vote YES on Proposal 3: Right to Reproductive Freedom Initiative

What would this ballot measure do and why should I vote YES?

This amendment would add explicit language to Michigan's constitution that reproductive freedom, including abortion, is protected under the state's Constitution.

Voting YES will affirm Michiganders' right to reproductive autonomy.

Current Abortion Access Landscape in Michigan*

- Abortion available until fetal viability (24-26 weeks)
 - ✗ State Medicaid coverage of abortion is banned in most circumstances
 - ✗ Parental consent is required for minors
 - ✗ 24-hour waiting period
- | Very Protective Policy | Somewhat Protective Policy | Not a Protective Policy |
|------------------------|----------------------------|-------------------------|
| ✓ | ● | ✗ |
