

Paper Floor Lamp

by Studio Job

Did the idea of paper furniture ever strike your mind?

Paper, cardboard and papier-mâché are familiar to all of us. They bring back memories of kindergarten and our first experiences of making things. Inspired by classic icons but manufactured like modern day furniture, this furniture collection is an ode to classical style and to the material.

Designer	Studio Job
Year of design	2005
Material	wood and cardboard, finished with paper and polyurethane (PU) lacquer

detailing

The Paper collection illustrates it's story with a lacquered paper finish.
