arak floor lamp

Q21

The arak floor lamp features an individually hand-formed, translucent porcelain diffuser supported by a blackened aluminum arm and a cast bronze hub. Arak products are a collaboration between skram lead designer jacob marks and north carolina artist mimi logethis whose innovations in porcelain are a focus of the exploration. The diffuser is available with a graphic pattern. Machined aluminum foot switch. Lamping, options, specifications and details for this product are available in the 'downloads' section.
