SPRING & FALL FORMULA
This Wheat Germ hi-growth formula is a natural vegetable and plant based koi food, that is easily digested. Our Spring & Fall formula has a unique blend of high quality natural vegetable proteins, amino acids and digestive enzymes. Feeding Spring & Fall helps your fish to digest their food and keep them in optimum health in the beginning and end of the season when water temperatures are coldest.

MANUFACTURED IN THE USA.

FEEDING INSTRUCTIONS:
When water temperatures are between 4°C (40°F) and 10°C (50°F), feed two to three times weekly, and no more than the amount the fish will eat within a few minutes of feeding.

INGREDIENTS:
