Welcome Home!

**"Never Again Will One Generation of
Veterans Abandon Another"**

President's Corner

This has been a very interesting year. The weather keeps changing back and forth, and the months seem to be slipping away far too quickly. It's already July, and somehow it feels like I missed spring entirely.

I hope everyone is ready for the July 4th Parade. Those participating with the Plymouth Veterans Group will assemble in Bodie's parking lot at Spot 16. Our group includes VFW Post 6695, VVA Chapter 528, other veterans, the VFW 6695 Auxiliary, and AVVA. We will be marching behind the Korean War Banner. Following us will be CrossCountry Mortgage, one of the event sponsors, and then the Military Vehicle Collectors Club. Space will be available with the collectors' club for any walkers who may need to leave the parade route early. Due to the size of the parade, we may not be able to have one of our vehicles following the walkers.

We are also assisting the VFW with the Art in the Park event, July 10-12, by helping with parking lot operations behind E.G. Nicks. A sign-up sheet has been distributed through Don Dignan and continues to be updated. If you would like to volunteer, we would appreciate your help. Feel free to bring your spouse along while you work—although suggesting a shopping trip might not be the best idea on my part!

Our national organization continues to gain members. Whenever you meet a veteran, please ask whether they are already a member or would like to join. Lifetime membership remains just \$50.

Thank you for your continued support, and I look forward to seeing everyone at our upcoming events.

LOUNGE & AREA EVENTS

Euchre will continue on Thursday at 7:00PM until the Car Shows end in September.

Pinochle will continue on Friday at 2:00PM throughout the year.

Call in and come on down to the Post for a bite to eat and a beer. Specials vary daily. Be wise, stay safe.

RECENTLY AND UPCOMING

Memorial Day was a beautiful day for a parade and the crowd enthusiastically applauded as VVA, AVVA, VFW and Auxiliary members marched down Main Street. Afterward, everyone enjoyed a chili dog at the post.

Father's Day was, weather-wise, very nice and our son treated all at Buddy's Pizza.

The Nation's 250th birthday on July 4th will kick off at 9:00AM as the parade steps off in front of Bode's Restaurant on Main Street. The Post will host a BBQ Chicken Dinner beginning at Noon until sold out.

Car Shows have commenced and will continue every Wednesday throughout the summer.

Art in the Park and the annual BBQ rib dinner will prompt the need for many volunteers, so when publicized, step up and lend a hand.

The next general membership meeting will be on Monday July 13 at 7:00PM. See you there. It's a great time to be an American, a Veteran, and a member of Chapter 528.

Until Valhalla to all who have gone before us.

Membership

This is one of the saddest months we have had as a chapter, as we have lost 4 VVA members, 1 associate, and the wife of another of our associates. We mourn the passing of Walt Munie, Danny Cook, Dale Worchester, Guido Capaldi, and Phil Pursell. Connie Radachy, the wife of Joe Radachy has also passed on. Our thoughts and prayers go to all their families.

There was 1 application for membership this past month. Tim Broniak, Army, has joined the chapter. Our current membership stands at 305 VVA and 80 AVVA members. Of these, we have 79 life AVVA members.

Lapsed Members: As of June 25, 2026, the following individuals have not renewed their membership:

AVVA: Larry Snowden, Leeroy Griffin

Dropped from Roster: none

July AVVA Renewals: none

If you have already renewed, thank you. If you have not, please do so before the end of the month to keep your membership current.

July 4th

The Plymouth Fourth of July parade will take place this year, starting at 9:00. Both the VVA and the VFW will walk together on the 1.5-mile route. Everyone is invited to participate. We will meet in Bode's Restaurant parking lot by 8:30.

The VFW will again have its annual chicken dinners. It includes a half a chicken, baked potato, slaw, and a roll. There will be 90 dinners available (both dine-in and carryout) starting at noon. If you want one, I suggest you come early as they sell pretty quickly.

Car Shows

Again, Mother Nature has been very unkind to us so far this year. We have had 4 cancellations in the first 7 weeks of our season. First, it was the cold, then

the heat, and, of course, the rain. This is disappointing to everyone who enjoys coming out on Wednesdays to look at the cool cars, enjoy the oldies music, and have some great food, Hopefully the weather will improve as the summer goes on.

Contact Information

If you change any of your contact information, such as your address, email, or phone number, please let me know so I can update our records. We have lost track of several members because we can no longer get in touch with them. My email is: rlamoureux@wowway.com

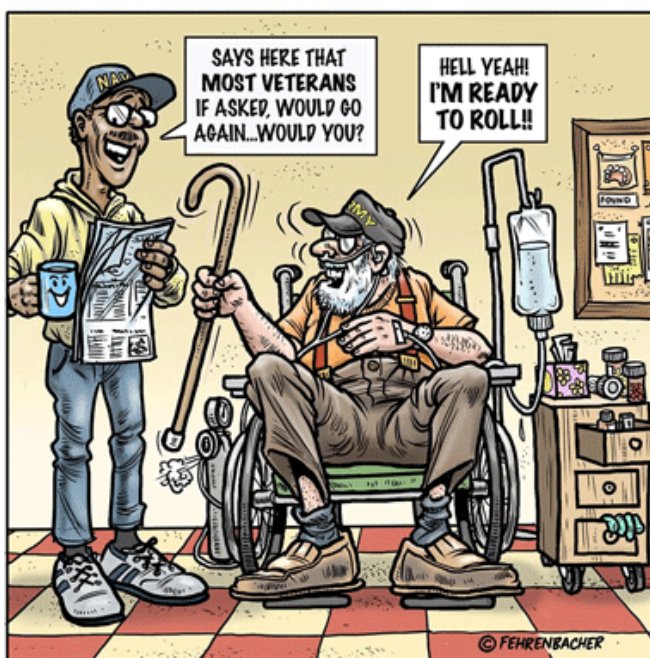

Happy 250th birthday to our great nation!

God's Timing

Author - Kenneth Peterson
from Our Daily Bread

Until 1967, units of time were scientifically measured by astronomical patterns: the spin of the Earth and its revolution around the sun. But over the centuries, a problem emerged. The Earth is actually slowing down in its orbit. Scientists discovered that the unit of the second is longer than it used to be. Gradual though this is, since the day of Christ, the world has "lost" a full three hours of measured time.

Of course, God created the ways we measure time: the astronomy of orbits and revolutions. Scientists' calculations may be squishier than we'd thought, but we can stand firmly in Peter's words: "With the Lord, a day is like a thousand years" (2 Peter 3:8). Peter was arguing against doubters who complained that Jesus hadn't returned yet. "The Lord is not slow in keeping his promise, as some understand slowness." (2 Peter 3:9) God works in His own time for His own purposes.

There's more: God's "timing" is born out of his love: "He is patient with you, not wanting anyone to perish" (2 Peter 3:9). Jesus will return, and God wants everyone to have the opportunity to come to Him. This is an expression of His love. Meanwhile, we're to "make every effort to be found spotless" (2 Peter 3:14).

"Time, God, and love are linked together: In these last days, God's love is never squishy. It's the one sure thing!"

Dear God, it's mind-boggling when we try to figure out the concept of time, but please help me embrace that my time is in Your hands.

Chaplains' Corner: Mike Steffes is still at Optalis Health & Rehabilitation. His cell phone is 734-394-3199. Please give him a call and check in on him, brothers! Bob Hallmark had a heart attack last week and is at Marygrove at 5 Mile & Newburg, recuperating. His phone # is 734-722-6879. Bobby Somerville is in a nursing home and not doing well.

Danny Cook
October 13, 1943 - May 25, 2026

Danny James Cook, 82, of Northville, passed away on May 25, 2026. He was born on October 13, 1943, in Trenton, Tennessee, to the late Auther and Mildred Cook.

He is survived by his loving wife, Barbara, and his daughter, Cheri Hinkle and her husband, Tim. He also leaves behind his cherished grandchildren, Caitlyn Fierek and her husband, Trevor, Amy Cook, Timmy Hinkle, and Saige Hinkle, along with his beloved great-grandchildren, Easton and Sloane Fierek. Danny is also survived by his sister, Bonnie Cook, and his faithful companion, Buddy.

Danny proudly served his country in the United States Army. He lived a life shaped by hard work, practical skill, and a sharp mind for opportunity. Known for his "wheeling and dealing," he had an instinct for the next good opportunity and was always thinking ahead. He could often be found working on tractors, cars, or anything that needed fixing or flipping. His mind was always active, and he approached life with the thoughtful patience and good judgment of a man who understood the value of hard work and timing.

He enjoyed staying busy and spending time doing the things he loved. Danny played pool in a league and played music with the Stone Country Band. He loved playing guitar, singing, and listening to old country music. Those moments reflected a softer side of him that family and friends will always remember. He also appreciated quiet moments and found comfort in life's simple pleasures. Danny was a deep thinker who never needed to say a great deal to make his presence known. His wisdom came through in his actions, his observations, and the calm, steady way he carried himself through life.

Danny will be remembered as a wise, thoughtful, and gentle man whose life touched many people in meaningful ways. He had a way of making others feel at ease, and his steady nature left a lasting impression on those fortunate enough to know him. His legacy lives on through the family he loved, the memories he created, and the many lessons he shared simply by the way he lived.

Phil Pursell

January 23, 1961 - May 30, 2026

Phil Pursell passed away peacefully, surrounded by his family, on May 30, 2026. Born on January 23, 1961, in Wyandotte, Michigan, Phil's life was marked by dedication, service, and an unwavering commitment to those he loved. Phil was preceded in death by his loving parents, Congressmen Carl D. and Peggy Pursell.

Phil was the proud owner of Main Street Auto Wash of Plymouth from 1991-2017; he passed on his legacy to his Daughter, Sarah, and Son-in-law Joe. Phil was also a man committed to public service, proudly serving as a City Commissioner from 2001-2007 and as Mayor of the City of Plymouth from 2007 to 2009—a role in which he made a lasting impact on the city and its residents.

Phil's legacy is carried forward by his loving wife, Paula, who stood by his side through all seasons of life. He was a proud father to three beloved children: Kim Reiher (Tim), Sami Werman (James), and Sarah Maltese (Joe), each of whom holds his memory close. His greatest role in life was "Papa Phil" to Eleanor Maltese, Annabelle Werman, Paige Reiher, Noah Reiher, Hailey Perez (Cameron), Anthony Robinson, and Jack Robinson, who brought light and laughter into his world. Phil was also a dear brother to Mark Pursell (Barb) and Kathy Martin (Brad). Loving Uncle to many nieces and nephews - with whom he shared a lifetime of memories and laughter.

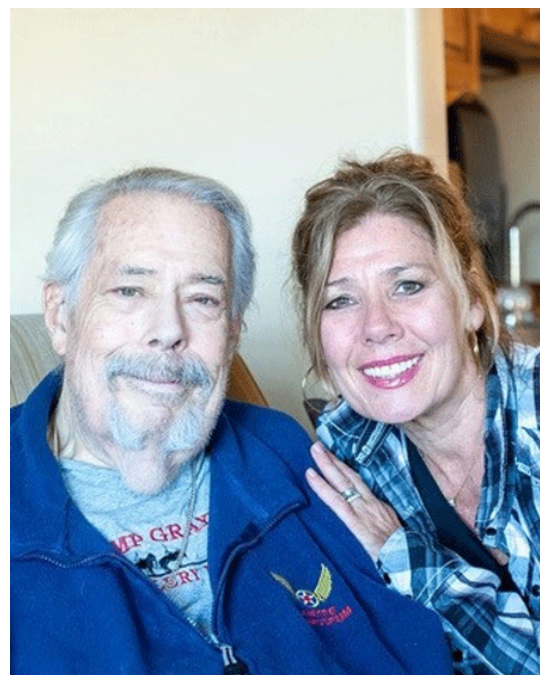

Those who wish to honor the memory of Phil are invited to consider a contribution to VFW Post 6695, 1426 South Mill Street, Plymouth, MI 48170. Contribution envelopes will be available at the Funeral Home.

Phil Pursell's life was a testament to hard work, leadership, and above all, love. His departure leaves a profound void, but his legacy will continue to guide and inspire all who knew him. He will be deeply missed, fondly remembered, and forever honored. "Steady as she Goes".

Richard Waldecker

February 21, 1943 - June 20 2026

Richard Waldecker was born February 21, 1943 in Dearborn, Michigan, to Edwin and Ethel Waldecker. Growing up on Audrey Street in Dearborn, he watched Ford build its Research and Engineering campus. He graduated from Edsel Ford High School in 1961, and as a young adult, he worked to put himself through college, stocking shelves at Kroger. In May 1966, he began applying his innate knowledge of cars and mechanics to a position at Ford Motor Company, where he worked until February 2007. By August 1971, he received his Bachelor of Arts degree from the Detroit Institute of Technology.

Both his work and education were interrupted in June 1967 when he was drafted into the United States Army. He was first stationed at Fort Holabird in Baltimore, Maryland, where he was trained to be a counterintelligence agent. During the summer of 1968, he was sent to the Army Language School at Fort Bliss in El Paso, Texas, to learn Vietnamese. Arriving in Vietnam on September 11, 1968, Richard served as an intelligence agent attached to the 101st Airborne. He applied his extraordinary memory and thorough investigative techniques to understanding the background and behaviors of both the enemy and army personnel. Richard had many stories from

Vietnam. Although he was a sergeant (E-5), his investigations could only be stopped by a general or higher-ranking officer (e.g., the President of the United States). The fact that he understood Vietnamese was kept classified from fellow agents, but proved to be useful. His expertise with vehicles was tested by driving army jeeps at 70 miles per hour through the jungle at night with the headlights off to avoid being sniped by the Viet Cong (VC). Of greater concern than the VC was the possibility of hitting a water buffalo, which thankfully did not happen. After returning stateside in September 1969, Richard performed background checks on individuals entering the U.S. Army while being stationed in Rockford, Illinois. According to one story, he and a fellow agent were handed a notebook left in a diner that listed funding sources to groups terrorizing college campuses and government buildings at that time. The notebook was passed along to his command and was used to prevent further attacks. Richard was honorably discharged from the United States Army in July 1970 and returned to work at Ford.

He was briefly president of the Canton Historical Society and contributed to moving the Cady-Boyer Barn to Cherry Hill Village in 2006. After retirement from Ford in 2007, he was involved in the local Veterans of Foreign Wars post, the Early Engine Club, the 101st Airborne associations, and the Association of Former Intelligence Officers.

Richard also spent time in the mid-2010s speaking to veterans on the impact that exposure to Agent Orange has had on the health of many who were in Vietnam, including him. He was diagnosed with Parkinson's Disease in 2016, which prompted a move many years later to Northville Township for enhanced levels of care.
