ADVANCEMENTS IN MACULAR DEGENERATION: NEW AND UPCOMING THERAPIES

Rayburn 2044
Wednesday, September 20, 2023
1:00 am - 2:00 pm ET

Lunch provided with mixed reality demonstration available for attendees

Featuring:

- Neena Haider, PhD, Harvard Medical School
- Patient Advocates

EXPERIENCE AMD - MIXED REALITY DEMONSTRATION WITH VISION AID

The Alliance for Eye and Vision Research (AEVR) is a 501(c)(3) nonprofit whose mission is to ensure the best eye and vision care for all Americans through the education about the value of eye and vision research. AEVR’s Research Saving Sight, Restoring Vision Initiative is designed to highlight the strides that National Eye Institute (NEI) funded research has made to establish improvements to diagnosis, treatments, therapies, and outcomes for eye and vision care.
