ABOUT AEVR
The Alliance for Eye and Vision Research (AEVR) is a 501(c)(3) nonprofit organization whose mission is to ensure the best eye and vision care for all Americans through the education of congressional legislators, government policymakers, coalition partners, the media, and consumers about the value of eye and vision research. AEVR’s Research Saving Sight, Restoring Vision Initiative is designed to highlight the strides that National Eye Institute (NEI) funded research has made to establish improvements to diagnosis, treatments, therapies, and outcomes for eye and vision care.
