

Book vs Movie

What did the book and movie have in common and what were their differences?

What book? _____

Book vs Movie

Book Title: _____

Did this book offer descriptive language that could easily paint a picture in your mind and/or on a big screen? Do you think anything was better explained with words than a movie could offer?

Movie Title: _____

Did they do a good job bringing the story to life? Did they cast actors that you think really represented the characters in the book? Was there anything completely different from the book in this movie?

Which was first, the book or the movie? : _____

Which one did you like better? Why? _____
