

THE NEXT BIG LABEL TREND

E-Vapor Market is Growing!

The E-Vapor market is a thriving industry estimated at \$2.5 billion and showing no signs of slowing.

Sell professional labels to your E-Liquid, E-Juice, E-Cig and E-Vapor markets to help your customers' brand stand out.

- **AnyShape™**—Promote your customers' logo with the ultimate custom label and no custom die charges
- **Digital Printing**—The perfect solution for that crisp, eye-grabbing 4-color design on labels as small as 1-1/2" x 1" and as few as 100
- **Variable Image**—Ideal for printing multiple flavors or designs on a single roll
- **Barcode/Consecutive Number**—Necessary for tracking inventory, sales and manufactured dates

Labeling strategy is vital to expanding within this market. Let us help you sell eye-catching labels with total confidence.
