

Hands-On Activity

# Engineer It • Design Shade

## Materials

## Ask a Question

### Step 1

Design and build a shelter.

### Step 2

Put the shelter in a sunny place. Place one rock under the shelter. Place the other rock in the sun.

Name \_\_\_\_\_

**Step 3**

Touch each rock and compare.  
Record your observations.

**Make a claim.**

**What is your evidence?**
