Steps

1. Fold a yellow piece of construction paper in half vertically and cut on the line. This will give you two long pieces.
2. Cut zigzags along one long side of each strip of paper.
3. Tape the two pieces together at two ends to form one long strip with the zigzags facing the same way.
4. Use markers to write the words king, lead, protect, and fight.
5. Decorate the rest of the paper as desired.
6. After it is dry, measure the strip to the child's head to fit it as a crown.
7. Tape the crown together.

The Point

Because of Israel's disobedience, in order to keep the peace, and in order to help the nation become what God called them to be, God gave Israel a human king to lead them, protect them, and fight for them.
