How did the king do what was evil in God's sight?

The king responded to God's promise with rebellion and disobedience.

*Yes, Lord*

## Materials

Large white construction paper  
Markers

## Steps

1. Write YES in big open (bubble letters) letters in the center of the paper with a black marker.
2. Color and design the inside of the word YES with a pattern.
3. Write ways to be obedient to God, at home, and at school. Do this all around the word YES.

## The Point

The king chose not to obey and this showed that the king believed his own ideas over God's. God's ideas are so much better than our own. He wants us to obey Him. Let this poster be a reminder of ways to be obedient.
