Steps

1. Create the paper to look like a certificate or award.
2. This will be used as a good character award.
3. Watch for people in your family demonstrating good character and award them with a character award.

The Point

God chose David, a king of character. David was a young boy that worked hard in the fields and fought wild animals to protect his sheep. He chose the youngest of the brothers to be king. Be sure to look around you for those demonstrating good character and award them with a certificate of thanks.
