## How did God bless Israel through King David?

God blessed Israel by uniting the Promised Land under King David's rule.

### *God's Presence Painting*

#### **Materials**

White construction paper or a canvas

Paints

Paint brushes

Praise and worship music

#### **Steps**

1. Talk about God's presence that we see in nature. (sunsets, trees, ocean)
2. Have music playing in the background.
3. Encourage a painting of God's presence through nature.

#### **The Point**

Under David's rule, the tribes came together living as one family-nation in the land that Yahweh promised to Abraham. They lived together in the Promised Land and enjoyed God's presence. God's

presence is all around us. Just like this painting that you have created. Thank God for being everywhere.
