What was the greatest moment of King David's rule?

God made a special promise to King David and his descendants.

Moment Medal

Materials

Yellow construction paper
Hole punch
Yarn
Markers

Steps

1. Cut the yellow construction paper into a circle large enough for your medal.
2. Think of your greatest moment. Design that moment on the paper plate to represent a medal/award.
3. Punch a hole in the top of the medal.
4. Cut yarn long enough for a necklace that slides on and off.
5. Tie the yarn through the hole to create a medal for wearing.

The Point

David was God's chosen king, he not only was to receive God's blessing in his life and family, but his family would reign forever.

Our best moments are based on God's accomplishments. Thank God for your best moment.
