## *Royal Weaving*

### **Materials**

Different color construction paper

Scissors

Markers

### **Steps**

1. Fold a piece of construction paper in half like a card.
2. Cut slits an inch apart in the card from the fold side to an inch from the edges. Open the paper.
3. Use other colors to cut long strips of paper about an inch wide.
4. Use the strips to weave in and out of the cut slits in the large paper to create a weaved mat.
5. Use the markers to write David on the left side and Jesus on the right.

### **The Point**

David's family is part of the royal line of Jesus. All of David's descendants would be weaved and connected to Jesus.
