How did God promise to love the king?
God promised to be a father to his son, the king.

Moon and Sun

Materials

White paper plate

Steps

1. Design one side of the paper plate to represent the sun.
2. Design the other side of the paper plate to represent the moon.
3. Cut a piece of yard about 12 inches.
4. Tape one end to the plate and the other end to a door frame.

The Point

As the plate spins and you see either the sun or the moon, let it serve as a reminder of our story. Just as the moon remains in the sky, bearing witness to the sun, so God's love will abide with his son, the king.
