Written on the Cross

Materials

Foil

Scissors

Dull pencil or the end of a paintbrush

Steps

1. Fold the foil until there is a good thickness to the stack.
2. Cut a cross from the foil.
3. Using a dull pencil, scratch the words King Jesus on the cross.

The Point

The kingship of Jesus Christ is made plain on the cross. Just like these words can't be erased from your cross, what Jesus did for us can't be erased. He is the king over all creation. He is the son of David, the son of man, and the son of God. He will reign forever over all.
