**How did God love Abraham?  
God spoke with Abraham and protected  
him always.**

*Hangman Havoc*

## **Materials**

Paper/poster board

## **Instructions**

1. Just like the classic game hang man, write blanks for the letters of any Kaleid Q and A from the past. Fill in just a few letters to give the kids a good starting point.
2. Rather than having kids guess letters, their job is to recognize the Q and A. Instruct them not to yell it out. This is an elimination game, and anyone who speaks out loud is eliminated.
3. Begin drawing names one by one. When you draw a kid's name, have him guess the Q and A. If they get it wrong, they are eliminated.
4. Play until all the kids are eliminated or someone gets it right, then play again with another Q and A.

## **Point**

God's love was demonstrated to Abraham as God spoke with him. We can receive God's love from his word as well. Help the kids see

the connection between learning God's word and receiving God's love.
