Oreos

Instructions

1. In the center of the table place a box of Oreos. Tell the kids they are welcome to have as many Oreos as they want. The only catch is that they are not allowed to bend their arms.
2. The trick they will have to figure out is to feed each other, instead of themselves. If there are other rules that need to be made in order to make sure this is the only option, feel free to make more rules.

Point

Explain that we had to feed each other Oreos, rather than ourselves. We had an Oreo in our hand, but it was for someone else. Someone else had an Oreo in their hand, and it was for you. We get to be the blessing for others.
