

# Activity 17

Cross

Formed

Kids

**What does God require of the children of Abraham?**

**God requires that all the children of Abraham put their whole faith in his promises.**

*Egg Face*

## **Materials**

Eggs (some boiled, some not)

## **Instructions**

1. Using a dozen eggs, boil eleven and leave one unboiled. Place them all in a bowl, making sure they have time to cool so that the unboiled one cannot be distinguished from the others.
2. Assign each kid a number, and then draw the numbers from a hat to choose whose turn it is. When it is a particular kid's turn, he/she will walk to the bowl of eggs, choose one, and crack it on his/her forehead. Intensity will be building along the way. (You might want to have more than one unboiled egg on hand in case the game ends prematurely. That way you can just add another unboiled egg to the bowl and play again.)
3. Along the way, some of the kids will be timid and others will crack that egg like it is their job. Point out the boldness and make a big deal about it. This is the faith tie-in for the activity.

## **Point**

It is crazy to put your faith in something that you know is going to eventually put egg on your face. But it is never crazy to put your whole faith in God.
