**What did God tell Abraham to do?  
God told Abraham to leave his homeland,  
and follow the path of God's promises.**

*Path of Promise*

## **Materials**

Candy

## **Instructions**

1. Have all of the kids line up in a straight line.
2. Let them know that there is candy for everyone, hidden somewhere in the room. However, in order for them to find it, each person in the class has to answer questions from our Abraham study so far.
3. If the person in the front of the line gets the question right, then one of the leaders brings the person from the back around to the front, and it is that person's turn to try and answer a question.
4. Each time you bring a new person to the front, face them in a direction that will continue the line on the path toward the hidden candy.
5. Eventually, have the line end up at the hidden candy and give each person his/her prize. If anyone along the way gets a question wrong, the entire line goes back to the starting point and the whole path starts over from scratch.
