

# Activity 9

Cross

Formed

Kids

**How did God reveal himself to Abraham?  
God revealed himself to Abraham as God  
Almighty, a shield, and a reward for those  
who trust him.**

*Paper Wad Paper Shield*

## **Materials**

Paper  
Trash cans

## **Instructions**

1. Place trashcans on opposite ends of the room.
2. Divide kids into two teams and give each team five pieces of paper.
3. Instruct them to use four pieces of paper to construct a defensive weapon that they will use to defend their trashcan. With the fifth piece, instruct them to make a paper wad that they will shoot like a basketball into the opponent's trashcan.
4. One person on each team will be the goalie and the others will take turns shooting the paper wad into the opposing trashcan. The goalie may not stand in front of the trashcan. He/she has to stand either behind it or beside it and use ONLY the handmade defensive weapon to block opposing shots. Let the kids be creative in what sort of defensive weapon they build, but they can ONLY use the paper. No other parts are allowed.

## **Point**

Remind the kids that even the best of weapons are almost useless compared with the shield that is provided by the presence of God in our lives.
