Materials

White copy paper

Piece of poster board or whiteboard

Steps

1. Brainstorm ideas of God's faithfulness on a whiteboard or poster board using a word or short phrase. Examples: trusting, caring, loving, or forever.
2. Preprint the beginning of the crossword using the words faithful and trust to use as a model.
3. Have children write the first two words like the model. They will write faithful horizontally through the middle and trust vertically. They will use the T in faithful as the T for trust.
4. Encourage them to build more words in their crossword that relate to God and his faithfulness.
5. Guide them to use words from the brainstorming session.

The Point

Remind them that because God loves us, we can trust him to be faithful at all times. Because we can trust God to be faithful, we can give our whole life to him. Because God is faithful to us, we are made able to be faithful to him.
