Kids

**How did Abraham bind himself to God?
Abraham showed that he trusted God's
faithfulness completely.**

Faith Bracelet

Materials

Silver duct tape (enough for each child to have a 6 inch strip)

Black sharpies

Steps

1. Give each child a precut 6 inch strip that is already folded in half with the duct tape side showing. After folding, the strip should still be 6 inches.
2. Give them a sharpie to write the phrase "I will trust in the promises of God".
3. Help each child wrap and use small strips of tape to connect the longer strip for a bracelet for them to wear.

The Point

We wrote on our faith bracelets that we will trust in the promises of God. By putting it on our wrist, it reminds us to continue to trust God. We can depend on God because he is faithful.
