

Activity 3

Cross

Formed

Kids

**How did Israel arrive in Egypt?
God saved both Israel and Egypt from
famine by Joseph's faithful leadership.**

Where Am I????

Materials

A blindfold.

A piece of paper with the word "Israel" printed or written on it.

Instructions

1. Tape the pre-made "Israel" sign on one wall of a room and make sure all the children know where it is by having everyone point at it together.
2. Blindfold the first child and spin her round and round until you're certain she is disoriented.
3. While she is still blindfolded, ask her to point to the Israel sign.

Point

As a nation of promise, Israel arrived in a strange land. By God's grace, they were saved from famine, but their life in Egypt was far from ideal. Just as we are uncertain where we are after being spun round and round, Israel had to hold onto God's promise in order to remember their identity as his people.
