Who did God give as a leader for Israel after the days of Joseph?
God called Moses to speak God's word and lead God's people away from Egypt to the land of promise.

A Little Help

Materials

NA

Instructions

1. Instruct the kids to form a circle.
2. Select one student to be "it," and take him/her out of the room.
3. Now select one child from the circle to be the leader. The leader's job is to perform motions that everyone else in the circle will mimic. But this should be done in a way that "it" will not be able to detect the leader.
4. Bring "it" back into the room and let the game begin. It will try to guess who the leader is.
5. Now the leader becomes "it" and the game continues.

Point

God always blesses his people with the leader that they need.
