Who is Israel?

Israel is the forever family of God.

Family Tree

Materials

White copy paper

Pencils

Markers

Steps

1. Fold the white paper like a card.
2. On the front of the card, use markers or pencil write I am in the forever family of God.
3. On the inside, spend time discussing your child's family tree. Map out their family tree on one side of the inside.
4. On the other side of the inside, have your child draw and color some family members.

The Point

Remind them that they are part of an earthly family and an eternal family of God.
