Kids

How did God make Israel into the most special nation in the world?
Israel was unlike all peoples because God gave Israel His Torah.

No Expiration

Materials

White copy paper
Scissors
Crayons

Steps

1. Fold the white paper into a card.
2. Use the scissors to cut a half of a heart shape with the fold on the inside.
3. Open the paper to form a heart shape.
4. In the center of the heart, write God's Love, and at the bottom of the heart write Expiration Date: NEVER.
5. Use crayons to add color or designs to the rest of the heart.

The Point

Remind them that the heart shape is a symbol of love. Love is the basis for the covenant between God and Israel, and it never expires. God's love never expires on us.
