**Why did Israel need God's Torah?
Only Torah could make Israel a kingdom of
priests and a holy nation, God's treasured
possession among all peoples.**

Treasured Possession

Materials

Empty food box or a small gift box
Foil
Tape
Scissors
Jewel stickers
Permanent markers

Steps

1. Cover the box in foil.
2. If needed, cut an opening in the top of the box to serve as a lid.
3. Decorate the foil with stickers and marker designs.
4. On the inside of the lid, write I am God's treasured possession.

The Point

Remind them that Israel was God's treasured possession, and He gave them Torah. The foil represents a precious metal, and the decorated box can serve as a place to keep your treasured possessions.
