What reason did Israel have to fully trust God?

God fought for Israel and revealed to them His own covenant name, “Yahweh.”

Trust Bouquet

Materials

Red construction paper
Scissors
Tape
Straws
Cup or small vase

Steps

1. Cut two to three inch hearts from the red construction paper.
2. Write different times needed to trust God on different hearts.
3. Tape each heart to the top of a straw to represent a flower on a stem.
4. Place the straw stems into the cup or vase to represent a bouquet of flowers.
5. Write “I can trust God” on another red heart, and tape it to the cup.

The Point

Remind them that Israel could trust God because of all that he had done for them, and He revealed His name to them. We can look at our bouquet and be reminded that we can also trust God in every situation.
