What did God require of Israel to fulfill God's forever plan for them?
God required Israel to love Him more than anything and to be holy as He is holy.

Fan Hand

Materials

White copy paper
Pencil
Scissors
Markers or crayons
Glue

Steps

1. Trace one of your hands on the white paper and cut out the hand shape.
2. Glue all fingers but the pointer finger to the palm of the hand. Your hand should look like you are holding up the number one.
3. Use the markers or crayons to write God is #1 in my life.
4. Color and decorate the fan hand.

The Point

Remind them that God required Israel to love Him more than anything. God should also be #1 in our lives. This fan hand should remind you of the big foam #1 hand at a sporting event. It can be displayed to show that God is #1 over everything.
