2. Use decorative tape to attach the index card to the jar as the jar title.
3. Have children decorate the outside of the jar with more decorative tape and permanent markers.
4. Brainstorm tasks or ways that God can use you in your home and community. For example, bake cookies for the fire department or clean a sibling's room for them.
5. Cut small pieces of the paper.
6. Using a pencil, write each task on a different piece of paper.
7. Fold the task papers and place them in the decorated jar.

8. Display the jar in your home, and enjoy completing tasks as a family.

### **The Point**

God is always finding ways to use his people. Let God use you, in your home and community, as you complete tasks from this jar.
