The Tomorrow Fund's Giving Tree Program partners with local childcare centers to provide warm clothes and gifts for kids in low-income families during the holiday season. In the past eleven years, this program has supported over 800 families amounting to $80,000 of assistance to Middle Tennessee families.

To sponsor a Giving Tree child:

1. Sign up by emailing Gabrielle at GivingTree@cfmt.org by November 15th.
2. Go shopping! Please spend around $100 total on gifts. Try to buy the items that are truly needed first, such as clothes, winter coats or pajamas. We will need to provide the children's parents with gift wrapping materials to wrap the child's gifts - so we're asking participants to spend an additional $10 on gift bags and wrapping paper for your gifts.
3. Place UNWRAPPED gifts and wrapping supplies in a bag or box with the child's name securely attached.
4. Drop off gifts on weekdays between December 2nd - December 6th, 9AM - 4PM at:

The Community Foundation of Middle Tennessee
