Apps for Mobile Devices

Healthy Children – Parents can look up age-by-age health information for their children, check immunization schedules, and access other resources in a format designed for tablets and smartphones. A free app from the American Academy of Pediatrics.

Vaccines on the Go: What you should know – This app provides parents with reliable information about the science, safety, and importance of vaccines and the diseases they prevent. A free app from the Vaccine Education Center at the Children's Hospital of Philadelphia. Available for Android and Apple devices.

TravWell – Use this app to build a trip to get destination-specific vaccine recommendations, a checklist of what is needed to prepare for travel and much more. A free app from Centers for Disease Control and Prevention.

Books for Parents

Baby 411 by Denise Fields and Ari Brown, MD, Windsor Peak Press, 7th edition, 2015. Available from your favorite local or online bookstore.
