## God Makes Plants

"Then God said, 'Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds.'

And it was so." Genesis 1:11

We learn about God in the Bible. The Bible is God's word to us. In the Bible, we learn that God makes all things.

God makes plants. There are big plants, tiny plants, soft plants, and prickly plants. God even made some plants for us to eat. God makes all the plants on the earth.

Ideas - Look out the window and see if you see any plants.

Questions to Ask- Who makes plants? What color are plants? Do you have plants in and/or outside? How many plants can you see?

Thank you God for making plants!

Big truths for little nursery hearts - God is good, God makes all things, God loves me, The Bible is God's Word for me!

### Ideas Sunday School at Home:

- Sing "[This is My Father's World](#)" (can sing just 1 verse)

This is my Father's World  
And to my listening ears  
All nature sings and round  
me rings, The music of the  
spheres

This is my Father's world  
The birds there carols raise  
The morning light the lily  
white, Declare their maker's  
praise

This is my Father's world:  
Oh, let me ne'er forget  
That though the wrong  
seems oft so strong,  
God is the ruler yet.

This is my Father's world  
I rest me in the thought  
Of rocks and trees  
Of skies and seas  
His hands the wonders rod

This is my Father's world  
He shines in all that's fare  
In rustling grass I hear him  
pass  
He speaks to me everywhere

This is my Father's world,  
The battle is not done:  
Jesus who died shall be  
satisfied,  
And earth and Heav'n be one

- Print & color [coloring page](#). Read & discuss the lesson above. (Add more or less based on age(s).)
- A verse for parents: [1 Corinthians 3:7-9](#)
  - Notice here how we are called to plant & water, but only God is able to make the seeds grow. That burden is not ours - hooray! So continue planting & watering seeds of truth in your littles' heart & trust the Lord to make them grow.
- Close in prayer:  
Dear God, Thank you for making plants! Thank you for creating such a beautiful world.. Thank you for loving us & giving us the Bible to learn about who you are. We love you! In Jesus' name, Amen.
- This week you could also:
  - Gather some plant seeds and start a mini garden. Allow littles to water their tiny seeds everyday & watch them grow!
  - Go on a plant **scavenger hunt**, [here](#).
    - Bonus: take any leaves/sticks/etc. you find & freeze in an ice cube tray or bowl to play with later on a hot day.
  - Read/listen to "[The Tiny Seed](#)" by Eric Carle or "[The Oak Inside the Acorn](#)" by Max Lucado.
  - Watch a video together about: "[The Parable of the Farmer and the Seed](#)" by Saddleback Kids.
