

See What God Makes

✔ God Rested ✔

"By the seventh day God had finished the work he had been doing; so on the seventh day he rested from all his work."

Genesis 2:2

We learn about God in the Bible. The Bible is God's word to us.

In the Bible, we learn that God makes all things.

When God created the world he made light, the sky, clouds, water, dirt, rocks, land, sun, moon, stars, fish, birds, animals, and people. God made so many wonderful things and all those things are good.

Do you know what God did after he made the earth and filled it? He rested. He did not need to rest because he was tired, but because he was finished. He had made all the good things and He was happy. We are so thankful for all that God creates. We can tell him thank you every day for all He has made.

Questions to ask little ones - Can you tell me something God has made? Can you tell God thank you for what He has made? Let's tell him thank you together.

Thank you God for being such a good Creator!

Big truths for little nursery hearts - God is good, God makes all things, God loves me, The Bible is God's Word for me!

See What God Makes

God Rested

Ideas for Sunday School at Home:

- Sing/dance to ["The Butterfly Song"](#)
- Print & color the [coloring page](#). Read & discuss the lesson above.
- Close in prayer:
Dear God, Thank you for making the world! Thank you for making all of the things we see & for teaching us how to rest & trust in you. Thank you for loving us & giving us the Bible to learn about who you are. We love you! In Jesus' name, Amen.
- Verse for parents:
Matthew 11:28-30 "Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

Ideas for how to encourage the lesson during the week:

- Pull out your favorite dance tunes & play freeze dance with your littles.
- Play-act your nighttime routine with your littles or their toys & have them do the same. Pretend to go to sleep/snore/wake up with your littles or with their toy animals/people - usually it turns into a fun little game.
- For older littles: ask what some of their favorite things to do are; write them down & try to incorporate them into your week.
- For parents: maybe this week would be a good time for you to take a rest during rest time too??
- Sing & dance with your littles to ["Rest In You"](#) by All Sons and Daughters or ["God Rested"](#) by Andrew Peterson
- Listen to/watch a short video about ["Creation"](#) from Saddleback Kids.
